KEEPING WARM

By F. A. TEES

BY THE TIME THIS NEWSPAPER REACHES YOU, I WILL HAVE SPENT A PLEASANT WEEKEND CAMPING IN A TENT IN THE WINTER TIME. THOUGH MOST OF YOU WILL NOT HAVE THIS EXPERIENCE, MOST OF YOU WILL GO SKIING OR SKATING ON COLD DAYS AND IT IS MOST IMPORTANT THAT YOU KNOW HOW TO KEEP WARM.

NOW CLOTHES BY THEMSELVES WILL NOT KEEP YOU WARM. HEAT COMES FROM YOUR OWN BODY. THE SURFACE OF YOUR BODY IS ALWAYS WARM, AND IT GIVES OFF A VERY CONSIDERABLE AMOUNT OF HEAT. IT IS THIS HEAT THAT KEEPS YOU WARM. THE IMPORTANT THING IS TO MAKE SURE THAT THIS HEAT IS NOT DISSIPATED INTO THE AIR. IT MUST BE CAREFULLY STORED. IT IS YOUR CLOTHES THAT DO THIS.

CLOTHES WILL NOT KEEP YOU WARM BY THEMSELVES. IF YOU GO OUTSIDE WITH MANY LAYERS OF CLOTHES WRAPPED TIGHTLY AROUND YOU, YOU WILL GET COLD. WHAT YOU MUST HAVE IS A POCKET OF AIR NEAR YOUR BODY, WHICH BODY WILL HEAT. IT IS THIS AIR POCKET THAT WILL KEEP YOU WARM. VERY OFTEN TRAPPERS AND WOODSMEN WEAR STRING UNDERVESTS. THESE ARE JUST UNDERSHIRTS MADE WITH VERY THICK STRING. WITH A SHIRT OVER THIS, THERE WILL ALWAYS BE A POCKET OF AIR UNDER YOUR CLOTHING WHICH WILL KEEP YOU WARM. IF YOU DO NOT HAVE ONE OF THESE, A THICK LOOSELY KNITTED WOOLLEN SWEATER, WORN EITHER NEXT TO THE SKIN, OR OVER A COTTON UNDERSHIRT TO KEEP IT FROM SCRATCHING, IS THE BEST THING.

RATHER THAN WEAR LONG WINTER UNDERWEAR, WEAR PYJAMA BOTTOMS, THESE WILL KEEP YOU WARMER THAN SKIN TIGHT LONG UNDERWEAR. THEY ARE LOOSE AND TRAP INSIDE THEM A CONSIDERABLE QUANTITY OF AIR.

ON TOP OF THESE GARMENTS, YOU SHOULD WEAR SOME SORT OF A WINDPROOF MATERIAL. VERY OFTEN YOU ARE COLD BECAUSE THE WIND BLOWS AWAY THE HEATED AIR WHICH IS INSIDE YOUR CLOTHING. THEREFORE YOU SHOULD HAVE A WINDPROOF GARMENT WHICH WILL KEEP THE COLD AIR OUT AND THE WARM AIR IN.

DRY CLOTHES HOLD THE HEAT, AND ARE NON CONDUCTORS. WET CLOTHING WILL NOT HOLD HEAT. THE MOST COMMON WAY FOR CLOTHES TO GET WET IS THROUGH PERSPIRATION. THE SECRET OF KEEPING WARM IN WINTER IS TO AVOID PERSPIRING. IF YOU ARE WEARING TOO MANY CLOTHES, YOU WILL SOON GET THEM WET AND THEN YOU WILL BE SHIVERING. THEREFORE, WHEN YOU ARE OUTSIDE IN THE WINTER, YOU MUST KEEP COOL TO STAY WARM. TAKE ENOUGH CLOTHES OFF SO THAT YOU WILL NOT SWEAT.

IF YOU FOLLOW THESE SENSIBLE AND SIMPLE RULES, YOU WILL FIND THAT YOU WILL BE WARM EVEN IN COLDEST WEATHER.

A VISIT TO THE MONTREAL STAR

THE DAY AFTER TERM ENDED, THE STAFF OF THE REDPATH HERALD PAID A VISIT TO THE DOWNTOWN OFFICE OF THE STAR. WE ENQUIRED FOR WATCHORN'S FRIEND MR. FRANCES ALLAND, WHO WAS TO SHOW US AROUND. WE FOUND HIM IN THE EDITORIAL OFFICES, WHERE WE SAW THE REPORTERS, THE WRITERS AND THE EDITORS BUSY WRITING THEIR ARTICLES. FROM THERE, WE WENT TO THE DEPARTMENT WHERE THE TYPE IS LAID. MR. WILLIAMS SHOWED US HOW TYPE IS FORMED BY MEANS OF A MACHINE CALLED A LINEOGRAPH. IT IS OPERATED MUCH IN THE SAME WAY AS A TYPEWRITER ONLY THE LETTERS ARE FORMED IN METAL. MR. WILLIAMS, THE MANAGER, TOLD US THAT THE TYPE IS PLACED ON A SORT OF TRAY IN THE ORDER THAT IT WILL APPEAR IN THE PAPER. A PIECE OF CARDBOARD IS THEN PLACED ON TOP OF THIS AND THE TYPE IS RUN UNDER A PRESS, SO THAT THE IMPRINT OF IT IS ON THE CARDBOARD. AFTER THAT IT IS PLACED AGAINST A CURVED PLATE WHICH HAS BEEN HEATED UNTIL IT IS SOFT, THUS LEAVING THE PRINT ON THE METAL. THE PLATES ARE THEN FASTENED TO ROLLERS, AND THE PAPER IS RUN BETWEEN THEM, AFTER THEY HAVE BEEN INKED. THIS IS HOW THE THOUSANDS OF COPIES ARE PRINTED DAILY.

WHILE WE WERE THERE, WE HAD OUR NAMES PRINTED BY ONE OF THE OPERATORS TO TAKE HOME WITH US.

UNFORTUNATELY WE COULD NOT SEE THE PRESSES, BUT NEVERTHELESS WE HAD A MOST ENJOYABLE AND INTERESTING AFTERNOON.

TIMOTHY STEWART.

THE SINKING OF THE BISMARCK

THE STORY OF THE SINKING OF THE BISMARCK WAS ONE OF THE EPICS OF THE WAR. IT WAS A GOOD EXAMPLE OF THE WAY IN WHICH THE BRITISH NAVY ACTS WHEN DANGER THREATENS. THE BISMARCK WAS A POCKET BATTLESHIP AND WAS SO POWERFUL THAT SHE COULD HAVE SUNK ANY CONVOY SHE CAME IN CONTACT WITH.

THE FIRST INFORMATION THE ADMIRALTY RECEIVED OF THE BISMARCK WAS THAT SHE WAS IN THE NORWEGIAN PORT OF BERGEN AND PREPARING TO COME OUT INTO THE ATLANTIC WHERE SHE WOULD BE VERY DIFFICULT TO FIND. THE HOME FLEET AT SCAPA FLOW WAS ALERTED.

ON MAY 23RD THE H.M.S. SUFFOLK REPORTED THAT THE BISMARCK HAD BEEN SIGHTED WITH THE PRINCE EUGEN IN THE DENMARK STRAITS. LATER THE SUFFOLK WAS JOINED BY THE NORFOLK AND TOGETHER THEY TRAILED THE BISMARCK AND THE PRINCE EUGEN. MEANWHILE THE NEW BATTLESHIP PRINCE OF WALES AND THE OLD BATTLECRUISER HOOD WERE STEAMING WEST FROM ICELAND TO INTERCEPT. ON MAY 24TH THEY SIGHTED THE TWO GERMAN SHIPS IN THE DENMARK STRAITS AND EXCHANGED FIRE. THE HOOD WAS SUNK AFTER SCORING ONE HIT ON THE BISMARCK. THE PRINCE OF WALES WAS DAMAGED AND HAD TO RETREAT UNDER A SMOKE SCREEN. THE SUFFOLK AND THE NORFOLK CONTINUED TO FOLLOW THEM OUT INTO THE ATLANTIC. IN THE MEANTIME THE VICTORIOUS WAS ABLE TO GET WITHIN 120 MILES OF THE BISMARCK AND LAUNCH SOME TORPEDO BOMBERS. THESE SUCCEEDED IN SCORING ONE HIT. FOUR HOURS LATER THE BISMARCK ESCAPED HER PURSUERS AND DISAPPEARED. THE FOLLOWING DAY THE BISMARCK MADE HER FIRST BIG MISTAKE-- SHE SENT A WIRELESS MESSAGE TO THE GERMAN ADMIRALTY. IT WAS PICKED UP BY VARIOUS BRITISH LISTENING STATIONS AND HER POSITION WAS MADE KNOWN. UP FROM GIBRALTAR CAME THE BATTLECRUISER RENOWN AND THE AIRCRAFT CARRIER ARK ROYAL. FROM THE HOME FLEET CAME THE KING GEORGE V AND THE RODNEY. FROM THE SOUTH-WEST CAME THE CRUISER DORSETSHIRE. THE NEXT STRIKE WAS MADE BY TORPEDO BOMBERS FROM THE ARK ROYAL IN THE BAY OF BISCAY. ON THEIR SECOND ATTACK THEY SUCCEEDED IN DAMAGING THE BISMARCK'S RUDDERS. THAT WAS THE DECISIVE HIT, FOR UNABLE TO STEER, HER FATE WAS CERTAIN. THE SHIPS CLOSED IN AND SCORED MANY MORE HITS WHILE THE RETURN FIRE FROM THE BISMARCK GREW VERY RAGGED. SOON SHE WAS NO MORE THAN A FLOATING WRECK AND THE DORSETSHIRE CLOSED IN TO POINT BLANK RANGE AND TORPEDOED HER. SHE SANK A FEW MINUTES LATER WITH HER COLOURS FLYING.

TIMOTHY CORISTINE.

TWO LITTLE GIRLS ON THEIR WAY HOME FROM SUNDAY SCHOOL WERE SOLEMNLY DISCUSSING THE LESSON.

"DO YOU BELIEVE THERE IS A DEVIL?" ASKED ONE.

"NO", SAID THE OTHER PROMPTLY. "IT'S LIKE SANTA CLAUS; IT'S YOUR FATHER."

A FLIGHT WITH GENERAL SMITH

BY T. STEWART

IN THE SUMMER OF 1915, I A BRITISH PILOT WAS ASKED BY GENERAL SMITH HIMSELF, IF I WOULD TAKE HIM UP IN AN OBSERVATION PLANE TO SEE IF WE COULD MAP THE ENEMY TRENCHES AND GUNS.

I NATURALLY SAID "YES", FOR IT WAS QUITE AN HONOUR TO TAKE A GENERAL UP IN THE AIR.

EARLY THE NEXT MORNING, WE TOOK OFF. WE CLIMBED TO ABOUT 15,000 FT AND LOOKED DOWN AT THE BATTLEFIELD BELOW. THE GENERAL HAD EVIDENTLY BEEN ENJOYING HIMSELF, BUT NOW HE STARTED TAKING NOTES ON THE ENEMY POSITIONS.

SUDDENLY, BEFORE EITHER OF US KNEW WHAT WAS HAPPENING, THREE GERMAN PLANES DIVED OUT OF THE BLUE AND STARTED FIRING AT US. A BIT OF THE LEFT WING WAS SHOT AWAY, BUT OTHERWISE WE WERE LUCKY. I PULLED BACK ON THE STICK AND VEERED SHARPLY TO THE LEFT. THE GERMANS TRIED TO LEVEL OUT, BUT COULDN'T AND I WAS ON TOP OF THEM. I MADE A FAST DIVE AND SHOT A WING AWAY AND THE HUN WENT INTO A SPIN AND CRASHED. HOWEVER, THERE WERE STILL TWO MORE AND THE ENEMY WAS NOW ABOVE US. AS I HAD THE FASTER PLANE, I DECIDED TO RUN FOR HOME, SO I WENT INTO A SHALLOW DIVE AS BULLETS SANG ABOUT OUR EARS. TO BE CONTINUED.

THERE ONCE WAS A RACE HORSE
 THAT WON GREAT FAME.

NOW, WHAT DO YOU THINK
 WAS THE HORSE'S NAME?

AFTER READING THE ABOVE JINGLE PUT THE HORSE'S NAME IN THE SPACE PROVIDED BELOW.

THE HORSE'S NAME IS _____?
 FIRST CORRECT ANSWER IS ELIGIBLE FOR A PRIZE.
